

Dear Parents/ Guardians,

On the (date) our school will be visited by PC Leah DAVIS, who is one of the Gloucestershire Constabulary's Youth Engagement Officers.

She will be delivering a lesson on **GROOMING & EXPLOITATION** to Year 7 pupils as part of our Personal Social and Health Education (PSHE).

The lessons have been created by the Constabulary in consultation with Gloucestershire Healthy Living and Learning (GHLL).

The lesson has been designed to be emotionally engaging and impactful. It is interactive and uses scenarios to educate and inform young people about the risks they may encounter on and off the internet and importantly seeks to empower young people to know how to deal with a problem should it arise.

It is great to take an active interest in your child's life online and we would encourage you to talk openly with them about the things they do and who they interact with. Remember, the internet is an essential part of young people's lives and provides them with tremendous opportunities.

We would urge Parents and Carers to spend a few minutes and watch the link below;

<https://www.youtube.com/watch?v=TZ6bvYydog4>

We also want to remind Parents and Carers of the CEOP website to learn more about how to keep your children safe on the internet. CEOP is a part of the National Crime Agency, they have also created a new website for teenagers called 'The internet, relationships & you' and offers advice on socialising online, online safety, getting support and sexual content online;
