

Dear Parents/ Guardians,

On the (date) our school will be visited by PC Leah DAVIS, who is one of the Gloucestershire Constabulary's Youth Engagement Officers.

She will be delivering a lesson on **KNIFE CRIME** to your Year 8 pupil as part of our Personal Social and Health Education (PSHE).

The lessons have been created by the Constabulary in consultation with Gloucestershire Healthy Living and Learning (GHLL).

The Lesson has been designed to be emotionally engaging and impactful. It is interactive and uses scenarios to educate and inform young people to understand the consequences of knife crime.

They will learn to understand the laws in relation to knife crime, the principles of the Police power to Stop and Search and why it is important in the prevention and detection of crime.

The lesson seeks to empower young people to make positive decisions and know how to deal with a problem should it arise.

We would urge Parents and Carers to spend a few minutes and look at the link below;

Yours sincerely,
