

Dear Parents/ Guardians,

On the (date) our school will be visited by PC Leah DAVIS, who is one of the Gloucestershire Constabulary's Youth Engagement Officers.

She will be delivering a lesson on **COUNTY LINES** to our Year 9 pupils as part of our Personal Social and Health Education (PSHE).

The lessons have been created by the Constabulary in consultation with Gloucestershire Healthy Living and Learning (GHLL).

Lessons are designed to be emotionally engaging and impactful. It is interactive and uses a number of scenarios to educate and inform young people and importantly seeks to empower young people to know how to deal with a problem should it arise.

The School Designated Safeguarding Leads welcome the Gloucestershire Constabulary's Schoolbeat visit as an important contribution to keeping our pupils safe.

We would urge Parents and Carers to visit the following website;

[County Lines - Fearless](#)

Yours sincerely,

Natalie Barrett

PSHE Lead Teacher
