

10.07.26

Dear Year 8 Parents,

We are delighted to share the success of our Year 8 Arts Award Day, during which every Year 8 student worked together to create a collaborative mosaic that will become a lasting reminder of their time at Farmor's.

The design was inspired entirely by the students' own ideas about what is most important to them in life at Farmor's. Ideas reflected on their experiences, values and memories, with friendship emerging as one of the strongest themes. This is beautifully represented in the mosaic's border, where lots of small stick figures hold hands, symbolising the connections between students and the way their journeys at Farmor's are woven together through learning, the arts, sport and shared experiences.

The workshop gave students the opportunity to develop their creativity, collaborate with their peers and contribute to a piece of artwork that celebrates the spirit of our school community. We are incredibly proud of their enthusiasm, thoughtful ideas and teamwork with the artist throughout the day.

We are extremely grateful to Fresh Air Sculpture for awarding Farmor's Art department an education grant, which funded a substantial proportion of the visiting artist's costs. Their generosity enabled us to provide this inspiring creative opportunity for all of Year 8. We would like to extend our thanks to all the parents and carers who generously donated towards the remaining workshop and resources costs. Your support helped make this memorable experience possible for our students.

Below is a photograph of the completed mosaic, the piece will be displayed in school for all to enjoy, and we hope it will serve as a lasting celebration of the friendships, achievements and sense of belonging that make life at Farmor's so special.

Best Wishes

Mrs Campbell

Teacher of Art and Design
