## **1. PURPOSE**

- 1.1 The purpose of this policy is to set out the admission criteria and application process for entry to Farmor's Sixth Form for the school year commencing September 2021 and to clarify the order of priority should the number of applications meeting the entry criteria exceed the number of places available.
- 1.2 This policy aims to ensure that all applications are dealt with in a fair and equitable manner.
- 1.3 Applications for places in years 7 to 11 are dealt with under the school's Admissions Policy Years 7-11.

## **3. PRINCIPLES**

- 3.1 The maximum number of admissions to the Sixth Form in September 2022 is 150
- 3.2 Applications are welcome from all prospective students regardless of whether they have attended Farmor's School prior to the Sixth Form.

## **4. DEFINITIONS**

- 4.1 For the purposes of this policy, the following terms have the following definitions.

### ***Geographical claim:***

Geographical claim is calculated by giving priority for admission to children who live nearest to the school as measured by using direct distance, as the crow flies; from the Ordnance Survey address point of the child's primary home to the main entrance gate of the school in Leafield Road.

### ***Looked After Children and all Previously Looked After Children***

Defined in the footnotes to paragraph 5.3 of this policy.

### ***Siblings***

A brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent's/carer's partner and in every case, the child must be living in the same family unit at the same address.

### ***Special Educational Needs and Educational Healthcare Plan***

Defined in the footnotes to paragraph 6 of this policy.

## **5. ADMISSIONS CRITERIA AND PROCESS**

### **5.1 Method of application**

- 5.1.1 Applications for a place in the Sixth Form are to be made on the Sixth Form application form.
- 5.1.2 The prospectus and application forms are published in November of the year preceding the year of entry to the Sixth Form. These may be obtained from the school Sixth Form Administrator, or via the school website [www.farmors.gloucs.sch.uk](http://www.farmors.gloucs.sch.uk).
- 5.1.3 Applications can be made by completing and returning the paper application form or electronically via the online submission system which is accessible via the school website.
- 5.1.4 The deadline for application will be published in the prospectus for each academic year. We will consider later applications from students who meet entry criteria, if places are available and if we are confident that the applicant will, as a result of any time lost in the year, be able to catch up successfully.

### **4.2 Entry requirements**

- 4.2.1 The School's aim is to accept students onto courses they can be successful in pursuing. In making this judgement, Farmor's will look for an appropriate level of prior academic achievement in appropriate subjects and in accordance with the principles of this policy.
- 4.2.2 The entrance requirements may vary from year to year. These are available on the school's website. Applicants will be expected to achieve a certain number of GCSEs at a specified grade and meet the specific requirements for study of each course they wish to pursue.
- 4.2.3 The School reserves the right to give special consideration to applicants not achieving the entry criteria on the grounds of medical conditions, disability, disadvantage or other special circumstances where the school believes the applicant's prior attainment may not reflect their true ability with regards to A Level study.
- 4.2.4 Where the number of applications does not exceed the number of places available all applicants who meet the entry criteria must be offered a place at Farmor's Sixth Form.

### 5.3 Admissions priority

5.3.1 Where the number of applications which meet the entry criteria exceed the number of places available the following criteria, in the order set out below, will be applied to decide which applicants to admit:

- d. Applicants who will have siblings at Farmor's at the time of admission.
- e. Applicants who have an authenticated medical reason for attending Farmor's. Consideration under this category must be supported by a written statement from the applicant's doctor which must show a very specific connection between the medical need of the applicant and the facilities or resources at Farmor's.
- f. Applicants who are the children of staff at the school. An applicant is considered to fall under this criterion where:
  - i. the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
  - ii. the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
- g. Applicants with the strongest geographical claim.

5.3.2 In the event of oversubscription being reached at any point in the priority list then the subsequent priority would apply. Random allocation will be used as a tie-break in category **g** above to decide who has highest priority for admission if the distance
